NARRATIVE:

Contreras has an extensive adult criminal history that began at the age of 25. Her convictions include use/under influence of controlled substances, force/assault with a deadly weapon not firearm with great bodily injury likely, violation of parole, failure to appear, possession of controlled substances, theft, and willful cruelty to child. She has served multiple state prison terms the longest a 32 month term for possession of controlled substances. Contreras was released from state prison to the supervision of the Los Angeles County Probation Department on April 12, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. She subsequently failed to report to her probation officer and an arrest warrant was issued in May 2014 after she absconded from post release community supervision (PRCS). Contreras qualified to be released to the supervision of probation, under AB 109, because her current commitment offense for the charge of possession of controlled substances is defined as non-serious and non-violent under the California penal code. Her prior criminal history, and current failure to comply with the terms of release make her a most wanted. If you know h whereabouts please contact...
